

Dear Applicant:

Enclosed is a Sue Williams Freedom Fund (SWFF) application packet. The application and accompanying forms will need to be completed and returned to me. Please send with your application:

- A price from the vendor indicating the item and its cost
- A letter from your doctor verifying that your need is related to your disability.
- Documents verifying income for whole household

Your contribution towards the item depends on the cost of the item:

If the item is less than \$1,500.00, you pay 20% of the cost.

If the item is \$1,500.01 to \$1,800.00, you pay \$300.00

If the item is \$1,800.01 or more, you pay all amounts over \$1,500.00

Your application is not considered complete until we receive all the above paperwork. After your completed application is reviewed, we will let you know the next steps. If you have your portion of the cost, you may be able to get the item sooner. This grant program often has a waiting list, but we encourage you to submit your application.

Please feel free to call me if you have questions at 1-800-639-1522.

Sincerely,

Peter Johnke
